CALL FOR PAPERS CEC 2025 Workshop @ IEEE ICNP

Cloud-Edge Continuum Workshop | September 22, 2025 | Seoul, South Korea

Join the third edition of the **Cloud-Edge Continuum (CEC) Workshop 2025**, a premier workshop bringing together researchers and practitioners to explore the “Cloud-Edge Continuum”: a revolutionary hyper-distributed computing paradigm that seamlessly interconnects cloud computing power with edge devices, IoT sensors, and data processing capabilities. The workshop maintains strong connections with EU-funded initiatives, featuring dedicated EU project sessions to foster collaboration and visibility, while South Korea's recent association with Horizon Europe creates unique opportunities for European and Korean researchers to connect and participate in funded research projects.

June, 2025

We welcome original research papers, work-in-progress presentations, and proof-of-concept demonstrations covering cutting-edge solutions for healthcare, transportation, smart cities, manufacturing, networks, resource management, and security across heterogeneous cloud-edge infrastructures. Accepted papers will be published in IEEE Xplore through single-blind peer review, offering global visibility for your groundbreaking research in this rapidly evolving field.

Key Dates:

Paper Submission Deadline: **June 23, 2025**

Notification of Acceptance: **August 4, 2025**

Camera-Ready Papers: **August 18, 2025**

Workshop Date: **September 22, 2025**

Submit Now: [CEC'25 HotCRP Portal](#)
